

Poster Prize

This is to certify that

Ben LIU

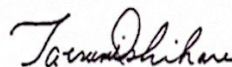

Tohoku University

Synthesis of secondary mono-alcohols from terminal vicinal
alcohols over Ru-ReOx/SiO₂ catalyst

has been awarded a poster prize from
Green Chemistry
at the 9th Tokyo Conference on Catalysis Science and
Technology (TOCAT9)
July 24-29, Fukuoka Japan

Michael Rowan
Executive Editor, Green Chemistry

Tatsumi Ishihara
Conference Chair, The 9th Tokyo Conference on
Catalysis Science and Technology
